SmartBox serie 2

Digital Code Safe

KEEPING YOUR GUESTS' VALUABLES SECURE HAS NEVER BEEN EASIER!

Minibar Systems brings you SmartBox—advanced security at an affordable price. SmartBox is available in two models: Laptop and Top Open. SmartBox features sleek, classic styling; advanced digital electronics; solid steel construction; anti-tamper labyrinths; and user-friendly audit software. Its simple operation make it the most user-friendly digital code safe on the market.

STANDARD FEATURES

- Solid steel bolt locking mechanism
- Large LED display and keypad
- ADA compliant audible keypad
- 4-digit guest code
- Battery backup
- Battery auto-check and low battery warning

SECURITY FEATURES

- Emergency opening with Override Unit
- Override Unit downloads last 300 operations
- Override Units are PIN protected, unique to each user and licensed hotel
- Anti-tamper construction enhances security and offers protection against manipulation
